## New Gladiator Series

Our new Gladiator Series has an option for all your sweeping needs, be it a small office building or a 30 000 square foot warehouse. One of these machines will work for you. Going from carpet to ceramic to cement is a breeze.

### Gladiator 464

Our classic Gladiator has a new name! Known for its great sweeping-cleaning abilities and easy operation, this machine is ideal for boutique hotels and small office buildings.

Code: 19677-C-AGM

### Gladiator 512

This machine has an extensive running time which makes it a great choice for large theaters and schools.

Code: 19674-C-AGM

### Gladiator 1050 Ride-On

This new sweeper-cleaner has a large sweeping path and the highest productivity per hour.

Code: 19676-C-OB

### Gladiator 512 Ride-On

With the same specs as the 512, this Ride-On machine has an ergonomic seat for comfort and ease of use.

Code: 19675-C-AGM

## New Drive Pads

We are phasing in new drive pads for our Hurricane 400, 400 Eco, 500, 510 and the DB Do All. The drive pads are made of a high quality resin and have better adhesion. They are now being sold as a replacement part and will be appearing on all machines shortly.

## The Dustbane Hurricanes complete a Half Marathon!

On May 29<sup>th</sup> 2011 Dustbane employees and friends ran the Ottawa Race Weekend Half Marathon (21.1 k). Their weeks of hard work and dedication paid off and were all very successful running, even with the rain! Congratulations to all who participated!

## Hurricane Mini

Our new high performance Hurricane Mini is great for scrubbing in difficult to reach areas. It has great manoeuvrability thanks to an optimum weight distribution.

Code: 19352-C-AGM

## Hurricane Scooter Ride-On

This scooter has a large solution capacity in a minimum external space, is ergonomic and has a squeegee system that was designed to absorb harsh impact.

Code:  
19353-C-AGM

## 5 for 500 Launch

In June we launched our new 5 for 500 Modular Super Concentrates. In line with our sustainable footprint, these products are EcoLogo approved, safe and easy to use.

This new Modular sustainable platform is ideal for the end user looking for a smaller concentrated chemical platform. It offers no contact chemicals, is safe and has a high performance curve.

## Doodle Buster - Success Story!

*Where have you tried our new Doodle Buster graffiti remover?*

Customers have had success using it on many different surfaces; desks; white boards; stainless steel; as a baseboard cleaner; as a degreaser for hood filters; even as a spray and wash pre-cleaner for laundry stains.

E-mail us your success story to:  
info@dustbane.ca and be featured on our website.
