

# Material Safety Data Sheet

## FRESH-UP

<b>Section I Product Identification</b>		
<b>Product Name:</b> Fresh-Up		
<b>Product Type:</b> Malodour counteractant block		
<b>WHMIS Classification:</b> Not applicable		
<b>Section II Hazardous Ingredients</b>		
<b>Cas Registry No.</b>	<b>%</b>	<b>Chemical Name(s)</b>
		Not Applicable
<b>Section III Physical Data</b>	<b>Section IV Fire and Explosion Hazard Data</b>	
<b>Appearance:</b> Blue Sold Block	<b>Flash Point</b> (Method used) (°C): None	
<b>Odour:</b> Scented	<b>Extinguishing Media:</b> Not applicable	
<b>PH</b> (concentrate): Not applicable	<b>Special Fire Fighting Procedures:</b> None	
<b>Boiling Point</b> (°C): Not applicable	<b>Unusual Fire and Explosion Hazards:</b> None	
<b>Specific Gravity:</b> Not applicable		
<b>Solubility in water</b> (%): Not applicable		
<b>Section V Toxicological Properties</b>		
<b>Effects of Overexposure</b>	<b>Hazard Rating</b>	<b>Rating System</b>
<b>Swallowing:</b> Slightly Toxic	Health: 1	0 = Insignificant
<b>Inhalation:</b> Not applicable	Flammability: 0	1 = Slight
<b>Skin Absorption:</b> Not applicable	Reactivity: 0	2 = Moderate
<b>Skin Contact:</b> Slight Irritant		3 = High
<b>Eye Contact:</b> Slight Irritant		4 = Extreme
<b>Special Warning:</b> None		
<b>Section VI First Aid Measures</b>		
<b>Ingestion:</b> Drink 3-4 glasses of milk or water.		
<b>Inhalation:</b> Not Applicable.		
<b>Skin:</b> Flush with water.		
<b>Eyes:</b> Flush with water. If irritation persists, call a physician.		
<b>Section VII Reactivity Data</b>		
Stable: x Unstable:		
<b>Condition to avoid:</b> None		
<b>Incompatibility</b> (Materials to avoid): None		
<b>Hazardous Decomposition Products:</b> None		
<b>Hazardous Polymerization:</b> Will not occur		
<b>Section VIII Preventive Measures</b>		
<b>Protective Gloves:</b> no		
<b>Eye Protection:</b> no		
<b>Ventilation:</b> Local Exhaust: General: X		
<b>Respiratory Protection</b> (Specify type): No		
<b>Other Protective Equipment:</b> None		
<b>Steps to be taken in case material is released or spilled:</b> Due to the nature of the product, spillage or accidental release is not a hazard.		
<b>Waste disposal method:</b> Place expended block in normal garbage.		
<b>Precautions to be taken in handling and storage:</b> Store in a cool dry place.		
<b>Other precautions:</b> Follow label use instructions		
UN: Not applicable		
<b>TDG Class:</b> None	<b>Packing Group:</b>	<b>TDG Emergency Telephone #:</b> (613) 996-6666 (COLLECT)
<b>Section IX Preparation Data</b>		
<b>Prepared by:</b> D.R. Dunlop	<b>Phone:</b> (613) 745-6861	<b>MSDS.092</b>
<b>Date:</b> January 1, 2007	Dustbane Products Limited, 25 Pickering Place, Ottawa, Ontario, K1G 5P4	

# FRESH-UP

## Malodour Counteractant Blocks

“Effective against smoke, mildew, animal and other unpleasant odours.”

### Features and Benefits

Malodour counteractant – does not just mask, but counteracts and cancels disagreeable odours, and leaves area continually odour free

Convenient packaging – stick-up dispenser which can be attached to any surface and closed when not needed

### Where to Use

Use in hotels, motels, schools, hospitals, nursing homes, restaurants, offices, waiting rooms, conference rooms, kitchens, nurseries, bathrooms, garbage compact areas, storage closets, boat heads, automobiles, airplanes, kennels, veterinary clinics, zoos, locker rooms, dormitories, etc. Stick them up in any room or area where unpleasant odours are a problem.

### How to Use

Remove protective adhesive backing. Place or apply **FRESH-UP** in the desired mounting areal.

### Specifications

Appearance	blue solid block
